## WL-363

Product code : WL-363  
 Product name : Wireless adsl 2+ Modem Router 300N  
 EAN code : 8716502022670

Use this Wireless ADSL 2+ Modem Router 300N X3 to set up a wireless home network with superior throughput and an unparalleled wireless range. This modem router enables you to wirelessly share files and broadband Internet access, as well as the peripheral devices attached to the PC's in your network. Thanks to the integrated OPS technology, this modem router makes it easier than ever to connect and protect your desktop PC's or notebooks in a wireless network! Just one press of the button, and the wireless connection is established, with automatic transfer of the WPA security included in the modem router. Thanks to the built-in ADSL modem, you can connect this modem router directly to your ADSL line.
